(techno single of the month)

Two minimal grooves both made of samples from electric cables, the noise that everyone else discards. Debut release for this highly promising Italian label.

- James: "This needs to be played fuckin' loud. It sounds like a dustbin lorry driving through your bedroom"

- David: "It reminds me of our own live stuff. Records like this are great: A huge fuckin' bottom, a huge top and fuck all in between" 8/10
